

## Index to *Dundee in Days Gone By* feature by Marge Busz

Indexed and edited by Mary Vergowven

*Dundee in Days Gone By* was a feature written by Marge Busz, a Dundee resident, for the Dundee Area Independent newspaper from January, 1987 to November, 1994. Marge took breaks from the feature at various times, including one break from July 5, 1990 to Jan. 17, 1991, where no articles were found. This break is noted at the top of the 17 January 1991 issue.

The articles, some copied from microfilm and others copied from original newspaper clippings, are housed in a binder in the Genealogy Department of the Ellis Library and Reference Center, 3700 South Custer, Monroe, MI 48161. For copies or scans, please contact the department by phone 734-241-5277 or via email at [Ask-A-Librarian](#).

The articles identify places, events, and a great number of individuals and families in the Dundee area, making the index a valuable tool that allows genealogists to put an ancestor in a certain place at a specific time.

- For the most part, the 18<sup>th</sup> chapter of the Chicago Manual of Style (15<sup>th</sup> edition) was used as an indexing standard.
- When working with maiden and married surnames, *See* references are used to guide users from the maiden surname to the married surname.
- Date:Page format is used.
- A (p) after the page number indicates that a picture was included regarding the entry.
- Any businesses, events, and/or locations indexed are in Dundee, unless otherwise noted.
- While creating the index, the author notes that both surnames and given names were spelled differently from one article to another. In many of these cases, *see also* entries were created to lead users to those alternative spellings.
