

MONROE COUNTY LIBRARY SYSTEM
RETIREE HEALTHCARE VEBA

Michigan Freedom of Information Act Policy

Passed May 11, 2015

SUMMARY OF FOIA POLICY AND PROCEDURES

The Monroe County Library System Retiree Healthcare VEBA (the “VEBA”) is established and administered pursuant to the provisions of the Monroe County Library System Retiree Health Care Benefits Plan and Trust, as amended, applicable collective bargaining agreements, and state and federal laws, including, but not limited to the Michigan Freedom of Information Act, Act 442 of 1976, as amended (MCL 15.231 *et seq.*) (hereinafter the “FOIA”). The Board of Trustees of the VEBA (“Board” or “Board of Trustees”) is vested with the authority for the general administration, management and operation of the VEBA. As a public body under Section 2 of the FOIA (MCL 15.232), the Board of Trustees has a legal obligation to ensure that VEBA records be made available to the public in compliance with the FOIA.

Pursuant to Public Act 563 of 2014, the FOIA was amended with an effective date of July 1, 2015. In accordance with the amendments to the FOIA under Public Act 563 of 2014, the following written public summary of the VEBA’s FOIA Policy and Procedures is provided.

1. Submitting a FOIA Request

- Requests to inspect or obtain copies of public records prepared, owned, used, possessed or retained by the VEBA must be submitted in writing.
- No specific form to submit a written FOIA request is required; however, a FOIA Request Form is available for your convenience on the VEBA’s webpage available at monroe.lib.mi.us.
- A FOIA request must sufficiently describe a public record so as to enable the VEBA to find it.
- Written requests may be made by mail addressed to the Board of Trustees of the Monroe County Library System Retiree Healthcare VEBA, 840 S. Roessler St., Monroe, MI 48161; requests may also be submitted via facsimile to 734-241-4722 or via email to FOIA@monroe.lib.mi.us.

Note: If you are serving a sentence of imprisonment in a local, state or federal correctional facility you are not entitled to submit a request for public records under the FOIA.

2. Responding to Requests

- Within 5 business days of receipt of a FOIA request the VEBA will issue a response. If a request is submitted by e-mail the request is deemed to have been received on the following business day. E-mail requests delivered to the FOIA Coordinator’s spam or junk-mail folder shall be deemed received one (1) day after the FOIA Coordinator becomes aware of the e-mail request, and such dates shall be noted in any response provided.

- The Board will respond to your request in one of the following ways:
 - Grant the request;
 - Deny the request, in writing;
 - Grant the request in part and issue a written notice denying the request in part;
 - Issue a notice indicating that due to the nature of the request the VEBA requires an additional 10 business days to respond; or
 - Issue a written notice indicating that the public record requested is available at no charge on the VEBA's webpage.

- If a request is granted, or granted in part, the VEBA will ask that payment be made for any permissible fees associated with responding to the request before the public record is made available. If the costs of processing and responding to the request are expected to exceed \$50.00, the VEBA will require a good faith deposit prior to processing the request. Under certain circumstances, the VEBA may require payment of any and all fees in advance prior to processing the request.

3. Fee Deposit Requirements

- If the VEBA has made a good faith calculation that the total fee for processing a FOIA request will exceed \$50.00, the VEBA will require that you provide a deposit in the amount of 50% of the total estimated fee, a detailed itemization of which shall be provided upon requesting the deposit. The VEBA's request for a deposit will also include a non-binding best efforts estimate of how long it will take to process the request upon receipt of the required deposit.
- If the VEBA receives a FOIA request from an individual or entity who has not paid the VEBA for fees charged in connection with a previously granted FOIA request, the VEBA will require a deposit of 100% of the estimated fee prior to processing the request when all of the following conditions exist:
 - the final fee for the prior FOIA request was not more than 105% of the estimated fee;
 - the public records made available contained the information sought in the prior written request and remain in the VEBA's possession;
 - the public records were made available, subject to payment, within the time frame estimated by the VEBA to provide the records;

 - 90 days have passed since the VEBA notified the individual in writing that the records were available for pickup or mailing;
 - the individual is unable to show proof of prior payment to the VEBA; and
 - the VEBA has provided a detailed and itemized estimate that is the basis for the current request's increased deposit.

- The VEBA will not require the estimated 100% deposit if any of the following apply:
 - the individual making the request is able to show proof of prior payment in full to the VEBA;
 - the VEBA is subsequently paid in full for all applicable prior FOIA requests; or
 - 365 days have passed since the request was made for which full payment was not remitted to the VEBA.

4. Calculation of Fees

- A fee will be charged for the cost of search, examination, review, and the deletion and separation of exempt from non-exempt information in all instances where the failure to charge a fee would result in unreasonably high costs to the VEBA because of the nature of the request in the particular instance, and the VEBA identifies the nature of the unreasonably high costs.
- In accordance with the FOIA, the VEBA may charge for the following six fee components when processing a FOIA request:
 - Labor costs associated with searching for, locating and examining a requested public record;
 - Labor costs associated with a review of a record to separate and delete exempt information from non-exempt information which is disclosed;
 - The costs of computer discs, computer tapes or other digital or similar media when the request asks for records in non-paper physical media;
 - The cost of duplication or publication, not including labor, of paper copies of public records;
 - Labor costs associated with duplication or publication, which includes making paper copies, making digital copies, or transferring digital public records to non-paper physical media or through the Internet; and
 - The actual cost of mailing or sending responsive public records to a requester.

- Labor Costs

- All labor costs will be estimated and charged in 15 minute increments with all partial time increments rounded down.
- Labor costs will be charged at the hourly wage of the lowest-paid employee capable of doing the work in the specific fee category, regardless of who actually performs the work.
- If the VEBA does not employ a person capable of separating and deleting exempt from non-exempt information, contracted labor costs will be charged at an hourly rate not exceeding an amount equal to 6 times the state established minimum hourly wage rate.
- Labor costs will also include a charge to cover or partially cover the cost of fringe benefits.

- Non-paper Physical Media
 - The cost for records provided on non-paper physical media, such as computer discs, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
 - This cost will only be assessed if the VEBA has the technological capability necessary to provide the public record in the requested non-paper physical media format.
- Paper Copies
 - Paper copies of public records made on standard letter (8 ½ x 11) or legal (8 ½ x 14) sized paper will not exceed \$0.10 per sheet of paper. Copies for non-standard sized sheets will reflect the actual cost of reproduction.
 - The VEBA may provide records using double-sided printing, if cost-saving and available.
- Mailing Costs
 - The cost to mail public records will use a reasonably economical and justified means.
 - The VEBA may charge for the least expensive form of postal delivery confirmation.
 - No cost will be made for expedited shipping or insurance unless requested.

5. Fee Reduction

- The VEBA will waive the first \$20.00 of the processing fee for responding to a FOIA request if an affidavit is provided stating:
 - that the requester is indigent and receiving specific public assistance; or
 - if not receiving public assistance, stating specific facts demonstrating an inability to pay because of indigency.
- A requester is not eligible to receive a \$20.00 waiver if:
 - the requester has previously received discounted copies of public records from the VEBA twice during the calendar year; or
 - the requester is requesting information on behalf of other persons who are offering or providing payment to the individual to make the request.
- The VEBA will waive the fee for a nonprofit organization requesting public records which meets all of the following conditions:
 - the organization is designated by the State under federal law to carry out activities under the Developmental Disabilities Assistance and Bill of Rights Act of 2000, Public Law 106-402, and the Protection and

Advocacy for Mentally Ill Individuals Act of 1986, Public Law 99-319, or their successors;

- the request is made directly on behalf of the organization or its clients;
- the request is made for a reason wholly consistent with the provisions of federal law under Section 931 of the Mental Health Code, 1974 PA 258 [MCL § 330.1931]; and
- the request is accompanied by documentation of the organization's designation by the State.

6. Appeals

- Denials of all or a portion of a FOIA request may be appealed to the Board of Trustees of the VEBA. The appeal must be filed in writing, specifically state the word "appeal", and identify the reason or reasons that the denial is believed to be improper.
- Within 10 business days of receiving the appeal the Board of Trustees shall do one of the following:
 - Reverse the disclosure denial;
 - Uphold the disclosure denial and provide a written notice of the same; or
 - Reverse the disclosure denial in part and uphold the disclosure denial in part, and provide written notice of the same.
- Regardless of whether an appeal of a denial is submitted to the Board of Trustees, a civil action may be commenced in Monroe County Circuit Court within 180 days of the VEBA's final determination to deny the FOIA request.
- If you believe that the fee charged by the VEBA to process your FOIA request exceeds the amount permitted by state law, you must first submit a written appeal of the fee charged to the Board of Trustees. The appeal must be in writing, specifically state the word "appeal", and identify the basis for contesting the fee charged.
- Within 10 business days after receiving the appeal, the Board of Trustees will respond in writing in one of the following ways:
 - Waive the fee;
 - Reduce the fee along with a written determination of the basis supporting the remaining fee;
 - Uphold the fee with a written determination indicating the basis for upholding the fee; or
 - Issue a notice extending the time to respond by not more than 10 business days.
- Within 45 days of receipt of the Board's determination on the appeal of the fee charged you may commence a civil action in the Monroe County Circuit Court for a fee reduction.

- Appeals received by the Board of Trustees are not considered received until the first regularly scheduled meeting of the Board following submission of a written appeal.

The foregoing is only a summary of the Monroe County Library System Retiree Healthcare VEBA's FOIA Policy and Procedures, and is provided for informational purposes only. A copy of the VEBA's FOIA Policy and Procedures is available at the VEBA's website at monroe.lib.mi.us.

WHEREAS, the Board of Trustees has fiduciary duties to the members and beneficiaries of the VEBA and shall discharge these duties solely in their interests for the exclusive purposes of providing benefits and defraying reasonable expenses, and

WHEREAS, it is the policy of the Board of Trustees to comply with the laws of this state and the United States consistent with these duties, and

WHEREAS, as a "public body" under the Michigan Freedom of Information Act ("FOIA"), Public Act 442 of 1976 as amended (MCL 15.231 *et seq*), the Board of Trustees has a legal obligation to comply and process all written requests for VEBA records in accordance with the requirements of the FOIA, and

WHEREAS, the FOIA was recently amended by Public Act 563 of 2014 ("PA 563"), with an effective date of July 1, 2015, and

WHEREAS, in light of the upcoming effective date of the amendments to the FOIA, the Board of Trustees desires to revise its policies and procedures with respect to Freedom of Information Act requests and responses thereto, therefore be it

RESOLVED, that the Board of Trustees hereby adopts the following Policy and Procedures for the administration of FOIA requests and responses:

I. GENERAL

A. Policy and Principles

- (1) It is the policy of the Monroe County Library System Retiree Healthcare VEBA (the "VEBA"), consistent with the Michigan Freedom of Information Act, that all eligible persons are entitled to full and complete information regarding the affairs of government and the official acts of those who represent them as public officials and employees. The people shall be informed so that they fully participate in the democratic process.
- (2) The VEBA's policy with respect to FOIA requests is to comply with State law in all respects and to respond to FOIA requests in a consistent, fair, and objective manner.

- (3) The Board acknowledges that it has a legal obligation to disclose all non-exempt public records in its possession pursuant to a valid written FOIA request. The Board further acknowledges that sometimes it is necessary to invoke the exemptions identified under the FOIA and other applicable law in order to ensure the effective operation of government and to protect the privacy of individuals.
- (4) The VEBA will protect the public's interest in disclosure, while balancing the requirement to withhold or redact portions of certain records including, but not limited to those records containing personal and private information of members and beneficiaries of the VEBA.

II. GENERAL ADMINISTRATION

A. FOIA Coordinator

- (1) The Board of Trustees, acting pursuant to the authority at MCL 15.236, designates the Director of the Monroe County Library System (Library Director) as the VEBA's FOIA Coordinator. He or she shall be the individual responsible for processing all FOIA requests received by the VEBA and approving all denials under the FOIA in consultation with the Board's legal counsel.

B. FOIA Requests

- (1) All FOIA requests shall be submitted in writing and directed to the Board of Trustees of the VEBA. The request must sufficiently describe a public record so as to enable VEBA personnel to identify and find the requested public record. No specific form to submit a request for a public record is required. However the Board has approved and made available a FOIA Request Form for use by the public (FOIA Form-1).
- (2) Written requests for public records may be submitted to the VEBA in person or by mail directed to the Board of Trustees. Requests may also be submitted electronically by facsimile and e-mail. Requests for VEBA records that are addressed to the County will not be processed. Requests addressed to the Board or VEBA that are received by County personnel shall be promptly forwarded to the FOIA Coordinator for processing.
- (3) If a request for a public record is received by facsimile or e-mail, the request is deemed to have been received on the following business day. If a request is sent by e-mail and delivered to a spam or junk-mail folder, the request is not deemed received until 1 day after the FOIA Coordinator first becomes aware of the request. The FOIA Coordinator shall note both the date the request was delivered to the spam or junk-mail folder and the date the FOIA Coordinator became aware of the request.
- (4) A person may request that public records be provided on non-paper physical media, electronically mailed or otherwise provided to him or her in lieu of paper copies. The VEBA will comply with the request only if it possesses the necessary technological capability to provide records in the requested non-paper physical media format.
- (5) A person who makes a verbal, non-written request for information believed to be available on the VEBA's webpage, where practicable and to the best ability of the

VEBA representative receiving the request, shall be informed of the pertinent website address.

- (6) The FOIA Coordinator shall keep a copy of all written requests for public records received by the VEBA on file for a period of at least 1 year.

III. PROCESSING A FOIA REQUEST

A. Responding to a FOIA Request

- (1) Within 5 business days of receipt of a FOIA request the VEBA will issue a response, unless otherwise agreed to in writing by the person making the request. The VEBA will respond to the request in one of the following ways:
 - a. Grant the request;
 - b. Issue a written notice denying the request;
 - c. Grant the request in part and issue a written notice denying in part the request;
 - d. Issue a notice indicating that due to the nature of the request the VEBA needs an additional 10 business days to respond; or
 - e. Issue a written notice indicating that the public record requested is available at no charge on the VEBA's website.
- (2) If the request is granted, or granted in part, the FOIA Coordinator will require that payment be made in full for the allowable fees associated with responding to the request before the public record is made available. The FOIA Coordinator shall provide a detailed itemization of the allowable costs incurred to process the request to the person making the request (FOIA Form-2). If the cost of processing a FOIA request is \$50 or less, the requester will be notified of the amount due and where the documents can be obtained.
- (3) If the estimated cost of processing a FOIA request is expected to exceed \$50, or if the requester has not fully paid for a previously granted request, the VEBA will require a good-faith deposit before processing the request. In making the request for a good-faith deposit the FOIA Coordinator shall provide the requester with a detailed itemization of the allowable costs estimated to be incurred by the VEBA to process the request and also provide a best efforts estimate of a time frame it will take the VEBA to provide the records to the requester upon receipt of the required deposit (FOIA Form-3). The best efforts estimate shall be nonbinding on the VEBA, but will be made in good faith and will strive to be reasonably accurate, given the nature of the request in the particular instance, so as to provide the requested records in a manner based on the public policy expressed by Section 1 of the FOIA.
- (4) The VEBA shall provide reasonable facilities and opportunities for persons to examine and inspect public records during normal business hours. The FOIA Coordinator is authorized to promulgate rules regulating the manner in which records may be viewed so as to protect VEBA records from loss, alteration, mutilation or destruction and to prevent excessive interference with normal business operations of the VEBA.
- (5) The FOIA Coordinator shall, upon written request, furnish a certified copy of a public record to the person requesting the public record.

- (6) A webpage link to a copy of this Policy and Procedures shall be provided to with the response to all written requests for public records.

B. Denial of a FOIA Request

- (1) If the request is denied or denied in part, the FOIA Coordinator will issue a Notice of Denial which shall provide, as applicable:
 - a. An explanation why a requested public record is exempt from disclosure; or
 - b. A certificate that the requested record does not exist under the name or description provided by the requester, or another name reasonably known by the VEBA; or
 - c. An explanation or description of the public record or information within a public record that is separated or deleted from the public record; and
 - d. An explanation of the person's right to submit an appeal of the denial to either the Board of Trustees or seek judicial review in the Monroe County Circuit Court; and
 - e. An explanation of the right to receive attorneys' fees, costs, and disbursements as well actual or compensatory damages, and punitive damages of up to \$1,000, should the requester prevail in Circuit Court. f. The Notice of Denial shall be signed by the FOIA Coordinator.
- (2) If a request does not sufficiently describe a public record, the FOIA Coordinator may, in lieu of issuing a Notice of Denial indicating that the request is deficient, seek clarification or amendment of the request by the person making the request. Any clarification or amendment will be considered a new request subject to the timelines provided under the FOIA.

IV. FEES

A. Generally

- (1) A fee shall be charged for the cost of search, examination, review and the deletion and separation of exempt from nonexempt information in all instances where the failure to charge a fee would result in unreasonably high costs to the VEBA because of the nature of the request in the particular instance, and the VEBA specifically identifies the nature of the unreasonably high costs.
- (2) The following factors shall be used to determine an unreasonably high cost to the VEBA:
 - a. The particular request incurs costs greater than incurred from the typical or usual request received by the VEBA.
 - b. Volume of the public record requested
 - c. Amount of time spent to search for, examine, review and separate exempt from non-exempt information in the record requested.
 - d. The available staffing to respond to the request.

B. Calculation

- (1) Labor costs will be calculated based on the following requirements:
- a. All labor costs will be estimated and charged in 15 minute increments with all partial time increments rounded down.
 - b. The cost of labor directly associated with duplication, publication or transferring records to non-paper physical media can be charged in time increments of the public body's choosing with all partial increments rounded down.
 - c. Labor costs will be charged at the hourly wage of the lowest-paid VEBA employee capable of doing the work in the specific fee category, regardless of who actually performs work.
 - d. If using contract or outside labor to separate and delete exempt material from non-exempt material, the public body must clearly note the name of person or firm who does the work and the labor cost may not exceed an amount 6 times the state minimum hourly wage.
 - e. Labor costs will also include a charge to cover or partially cover the cost of fringe benefits. The VEBA may add up to 50% to the applicable labor charge amount to cover or partially cover the cost of fringe benefits, but in no case may it exceed the actual cost of fringe benefits.
- (2) The cost to provide records on non-paper physical media when so requested will be based on the following requirements:
- a. Computer disks, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
 - b. This cost will only be assessed if the VEBA has the technological capability necessary to provide the public record in the requested non-paper physical media format.

- (3) The cost to provide paper copies of records will be based on the following requirements:

 - a. The actual cost to mail public records using a reasonably economical and justified means.
 - b. The VEBA shall charge for the least expensive form of postal delivery confirmation.
- (5) If the FOIA Coordinator does not respond to a written request in a timely manner, the following fee reductions shall be applied:
 - a. Reduce the labor costs by 5% for each day the VEBA exceeds the time permitted under FOIA up to a 50% maximum reduction, if any of the following applies:
 - i. The late response was willful and intentional.
 - ii. The written request, within the first 250 words of the body of a letter facsimile, e-mail or e-mail attachment conveyed a request for information.
 - iii. The written request included the words, characters, or abbreviations for “freedom of information”, “information”, “FOIA”, “copy” or a recognizable misspelling of such, or legal code reference to MCL 15.231, *et seq.* or 1976 Public Act 442 on the front of an envelope or in the subject line of an e-mail, letter or facsimile cover page.
 - b. Fully note the charge reduction in the Detailed Itemization of Costs Form (FOIA Form-2).

C. Fee Deposits

- (1) If the fee estimate is expected to exceed \$50.00 based on a good-faith calculation by the FOIA Coordinator, the requester will be asked to provide a deposit not exceeding one-half of the total estimated fee.
- (2) If a request for public records is from a person who has not fully paid the VEBA for copies of public records made in fulfillment of a previously granted written request, the FOIA Coordinator will require a deposit of 100% of the estimated processing fee before beginning to search for a public record for any subsequent written request by that person when all of the following conditions exist:
 - a. the final fee for the prior written request is not more than 105% of the estimated fee;
 - b. the public records made available contained the information sought in the prior written request and remain in the VEBA's possession;

- c. the public records were made available to the individual, subject to payment, within the time frame estimated by the VEBA to provide the records;
 - d. 90 days have passed since the FOIA Coordinator notified the individual in writing that the public records were available for pickup or mailing;
 - e. the individual is unable to show proof of prior payment to the VEBA; and
 - f. the FOIA Coordinator has calculated a detailed itemization that is the basis for the current written request's increased estimated fee deposit.
- (3) The FOIA Coordinator will not require an estimated 100% fee deposit if any of the following apply:
- a. the person making the request is able to show proof of prior payment in full to the VEBA;
 - b. the VEBA is subsequently paid in full for the applicable prior written request; or
 - c. 365 days have passed since the person made the request for which full payment was not remitted to the VEBA.

D. Waiver of Fees

- (1) The FOIA Coordinator will waive the first \$20.00 of the processing fee for a request if the person requesting a public record submits an affidavit stating that they are:

V. APPEALS

A. Appeal of a Denial of a Public Record

writing, specifically state the word "appeal" and identify the reason or reasons the requester is seeking a reversal of the denial.

- (2) The Board of Trustees is not considered to have received a written appeal of either a denial or a fee amount until its first regularly scheduled meeting following the submission of the appeal.
