

## PLAY WITH YOUR DRAGONS! Rock, Paper, Scissors

To play, you and a friend each choose one card secretly, keeping it hidden so your friend can't see what you chose.

Then count to 3 and both of you flip over your cards to see who wins.

- Red beats Green
- Green beats Blue
- Blue beats Red

### How to Score:

Each card has a color indicator and a scoring guide.

- Red beats Green
- Green beats Blue
- Blue beats Red

If you and your friend draw the same color, the older dragon wins.

Name: \_\_\_\_\_

## Rock, Paper, Scissors, War!

Play this when you have several dragon cards. Make sure you write your name on your cards so you can get your cards back at the end of the game.

- Mix up both player's cards and divide them evenly between both players.
- Place your stack of cards face down on the table. Do not look at your cards.
- Both players draw the top card on their deck and flip it over at the same time.
  - Red beats Green
  - Green beats Blue
  - Blue beats Red
- If you have the same color, the oldest creature wins.
- If your creatures are the same age, then you go to war.
- To go to war, add two face down cards to the pile, then play one more card face up.
  - Red beats Green
  - Green beats Blue
  - Blue beats Red
- If you have the same color, the oldest creature wins.
- If you tie again, go to war until there is a winner.
- The winner adds both cards to their win pile.
- Play until you run out of cards.
- The player with the most cards in their pile wins.
